

Siniat FibaTape

Description

Siniat FibaTape is a fibreglass mesh tape used for reinforcing joints in a drywall system before the application of the jointing compound.

Data no: GP8860		Data	
Specification		GP60-8*8 (50mm x 45m)	
		Standard Data	Test Result
Yarn Density (tex)	Warp	33*1*2	33*1*2
	Weft	66	66
Adhesive		≥ 360	› 600
Width (mm)		50 + 1	50
Mass (g/m ²)		60 + 5	61
Density	Warp	8 + 1	81
	Weft	8 + 1	79
Tensile strength (N/50mm)		≥ 350	› 542
Moisture content (%)		≤ 0.5	› 0.28
Coating glue content (%)		≥ 28	› 30
